Professional Experience

Category Analytics & Commercial Operations Intern, [Joybuy \(JD.com Europe\)](#), Rotterdam | Apr 2026 – Present

Gain hands-on experience in commercial operations within one of the world's largest online retail ecosystems.

- **Campaign analytics:** Built weekly reporting surfacing best-performing SKUs, highest-ROI campaigns and top product managers across ~5,000 FMCG SKUs.
- **Competitor intelligence:** Tracked competitor promotions weekly via allefolders.nl, compiling pricing and promo data with AI into structured files for category managers.
- **Landing pages:** Designed and updated 8 weekly campaign landing pages, localised into 4 languages (NL/EN/FR/CN) for both mobile and desktop.

Affiliate & Performance Marketing Intern, [Philips DA \(Versuni\)](#), Amsterdam | Aug 2024 – Feb 2025

Relocated to the Netherlands and undertook an MBA internship with the D2C Affiliate team.

- **Affiliate marketing:** Managed up to 18 affiliate partners, contributing to +36% YoY revenue (2024) through data-driven campaign planning and execution.
- **Peak-season campaigns:** Coordinated 19 Black Week campaigns — assortments, discounts, vouchers and payments — across partners and internal teams.
- **Performance reporting:** Built automated monthly Power BI reports (SKU / date / market / revenue) and co-delivered Q3/Q4 QBRs with ROI analysis and recommendations.

Digital Data Analyst & Performance Specialist, [NetWebCo](#) | Feb 2021 – Sep 2023

Joined a mid-size agency specialising in Magento e-commerce services.

- **SEO audits:** Ran full technical, content and performance audits across 6 clients; resolved indexing and crawl issues in Search Console and grew organic visibility.
- **Google Ads:** Managed ~€3,000/month paid campaigns per client, optimising for conversion rate over raw traffic with tightly targeted keyword sets.
- **Analytics & reporting:** Built GA/GTM tracking for add-to-cart, checkout and campaign-source KPIs and presented post-campaign performance to clients.

SEO & Website Optimization Specialist, [19kala](#) | Dec 2019 – Feb 2021

Worked in an OpenCart e-commerce operational team environment.

- **Organic growth:** Grew organic traffic from 30,000 to 190,000 monthly visits in 9 months by fixing technical SEO — deindexing 70k junk URLs and unblocking CSS for Google.
- **SEO strategy:** Led keyword research, content calendar and product-entry strategy combining search intent with performance data.
- **Schema & structured data:** Implemented schema markup and structured-data solutions improving rich-result eligibility.
